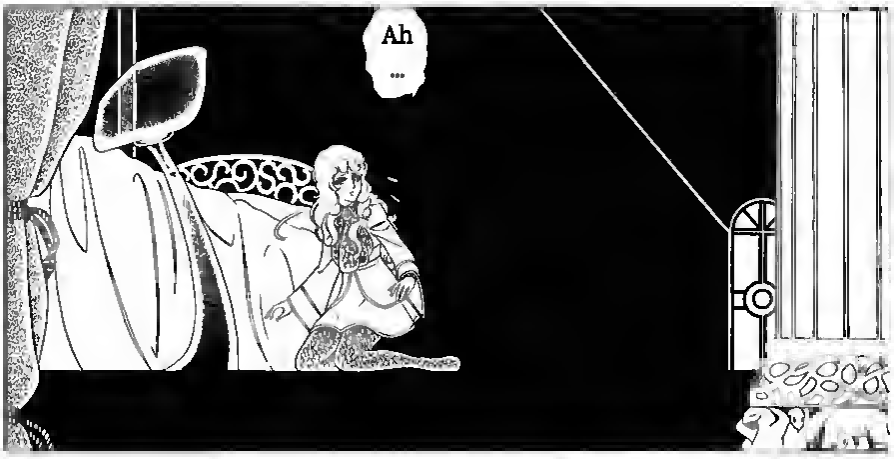
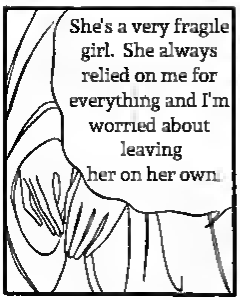
I've finally been forgiven, so I can now return to heaven.
You know, I'm actually an angel. God punished me and sent me to live in the human realm.
I'm a leprechaun. Sometimes I work for god.
Let's go.
Are you a fairy?
Miss Angel ...
Oh, are you here to pick me up?
Sister!
Sister! Sister, don't go!



Ah
...



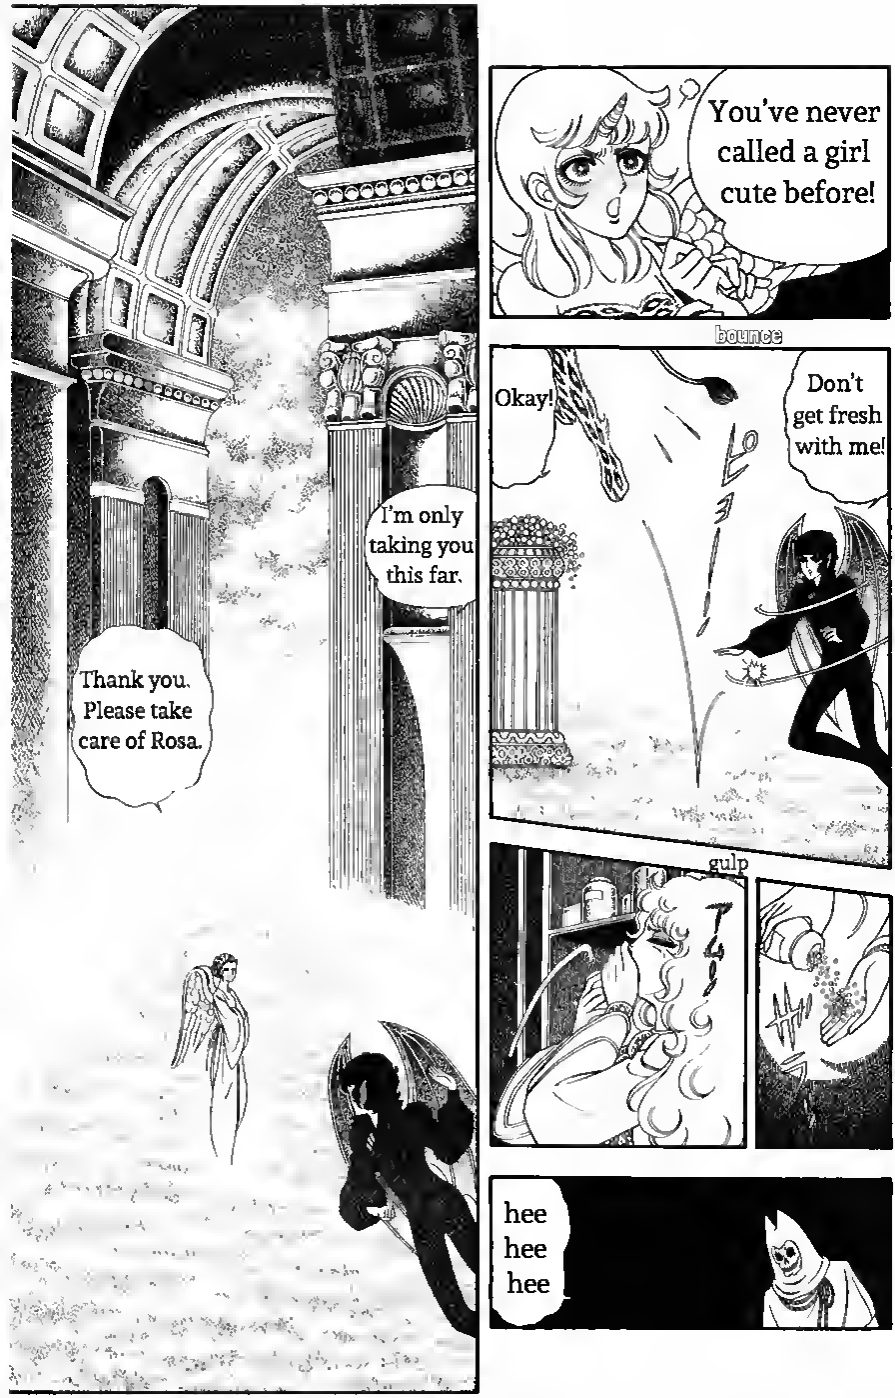
She's a very fragile girl. She always relied on me for everything and I'm worried about leaving her on her own.

Would you mind watching over my sister for a while?
Huh?

No, sister, let me go with you!

You go, Poo.
Don't leave that cutie's side.

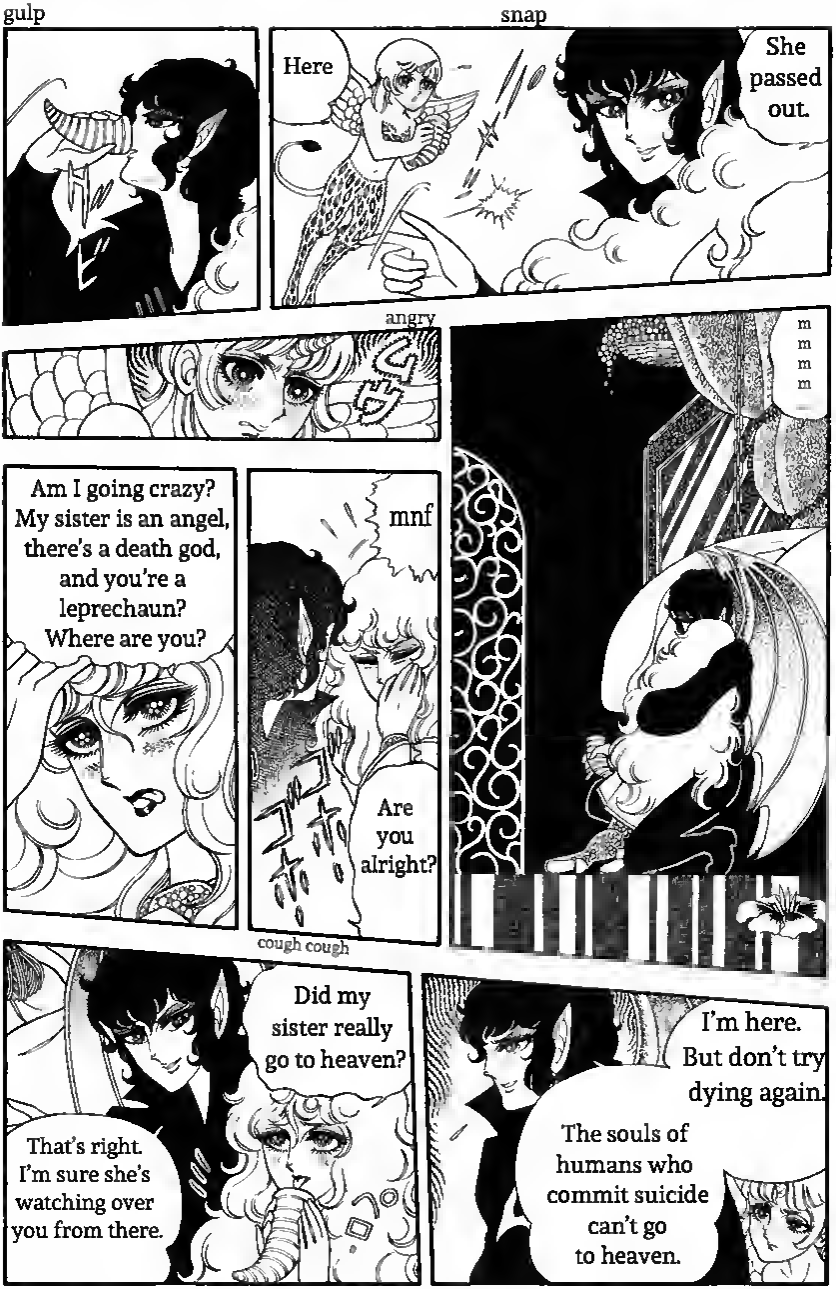
I'll die without you!
Let's go to heaven together!



Thank you. Please take care of Rosa.
I'm only taking you this far.
You've never called a girl cute before!
bounce
Okay!
Don't get fresh with me!
gulp
hee hee hee

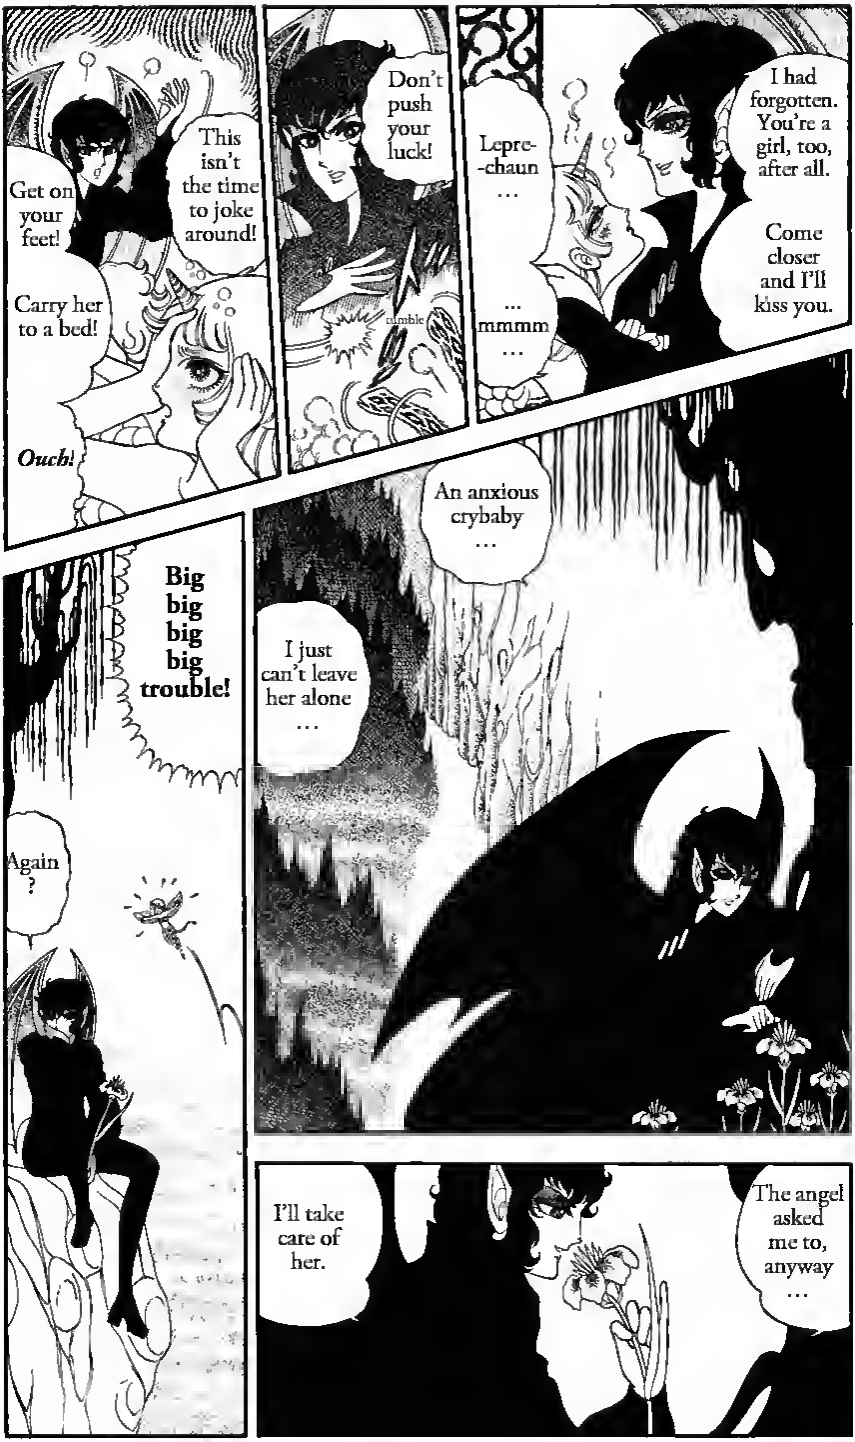
Big big big trouble!
Hee hee! She's almost there!
Leave it to me!
What?!
woosh!
You're so noisy! What happened?
Pills! Rosa took a whole slew of white pills!
And behind her, the death god is "hee hee hee" -ing!
Oh no! Her soul's starting to come out of her body!

pat
appear
Wah! What the hell are you?
Yep.
Wha- wha- hat are you doing If you get in my way, I won't let you off easy!
flop
Ah! Rosa!
woosh
Dammit! Because of you, I lost a soul!
Don't do anything stupid
Look over there: the death god's aiming for you!
If you disobey a leprechaun, you'll have bad luck, you know



gulp
snap
Here
She passed out.
angry
mmmm
Am I going crazy? My sister is an angel, there's a death god, and you're a leprechaun? Where are you?
mnf
Are you alright?
cough cough
Did my sister really go to heaven?
That's right. I'm sure she's watching over you from there.
I'm here. But don't try dying again.
The souls of humans who commit suicide can't go to heaven.

That's delicious, isn't it?
yes, umm …
It'll make you better. It's dragon blood, after all.
I can't do anything without my sister.
When I'm alone, I feel like I'm in danger.
I'm really nervous …
Would you look after me?
That's fine with me. Your sister asked me to, anyway.
flop
Not again!
lick
my!
Poo …
you know, for a long time I…
But Leprechaun, you're way too nice to her!
What did you say that for? This is just ordinary wine!



Get on your feet!
This isn't the time to joke around!
Carry her to a bed!
Ouch!
Don't push your luck!
tumble
Lepre-chaun …
… mmmm …
I had forgotten. You're a girl, too, after all.
Come closer and I'll kiss you.
An anxious crybaby …
I just can't leave her alone …
Big big big big trouble!
Again ?
I'll take care of her.
The angel asked me to, anyway …

Moron! What are you doing? Hurry up!
Kyaa!
Well, not yet, but she's gonna!
She cut herself ?!
Calm down a little. What happened this time?
Rosa cut herself with a knife and all this blood is pouring out all over the place!
It's not that she doesn't understand, the death god is putting her up to it!
Since I explained everything to her, I thought she understood what would happen if she attempted suicide again ..
zoom
Leprechaun ...
What?!
hmm?
I'm sorry to interrupt you while you're busy, but you have an emergency command from god!
Huh?

God wants me to kill Rosa?
What?
?
No, because if she commits suicide, she can't go to heaven.
So you're just gonna let her die?
What ?!
That's right, just like that.
Just take that knife and…
You won't know, unless you die. Now, with all your might …
If I die, I'll be able to see my sister, right?

peeew
Not once, but twice you've gotten in my way! oooooh! I won't forgive you now!
Heh heh
Wah! You again?
stab
Miss angel, can you come here?
ugh!
Death!
bloooow

bam!
I told you that messing with a leprechaun would give you bad luck!
Sister!
Keh!

Kyaah!
Oh my!
Blam
Miss angel has removed your soul.
Ah!

Mr Lepre-chaun !
Come visit every now and then!
Promise ?
Thank you, Lepre-chaun !
How wond-erful !
No prob
Rosa! I'm so happy!
Sister …
I was so worried about leaving you alone in the Human World.
I pleaded to god so that we could live together.
I'm sad I have to go back …
I'll barely be able to visit...
I rarely have business that takes me to beaven …
sigh
Leave me alone!
You can cry on my shoulder!

The End
